Pray for Walton Parish Nursing People

Please continue to pray for our staff, Lorna and John as they meet clients and also liaise with other local health professionals. Many of the clients have increasingly complex needs, so pray that Lorna and John will have the wisdom to help them most effectively.

Give thanks that Lorna and Diane were able to have a slot on Mark Murphy's BBC Suffolk Show on Suffolk Day. The recording is available on the WPN Facebook page.

Please pray for the staff and volunteers who regularly help clients on a one-to-one basis, that contact will help bring forth good health benefits and greater well-being

- Leg care
- Health walks
- Visits to lonely people with health issues
- Lifts to hospital and surgeries
- Health consultations

WPN is on the lookout for new volunteers, as we are getting an increasing number of referrals. Please pray that the Lord will raise up more volunteers.

On Tues 30th July WPN will be at The Felixstowe Job Centre Health and Wellbeing Fair at the Leisure Centre.

WPN Management and Trustees

Walton Parish Nursing has a Management Team chaired by Debby Marfleet (who also teaches the Exercise Classes).

WPN has a team of Trustees chaired by Robin Pattinson and includes the clergy from the three Walton Churches and others appointed by each church for this responsible role. They oversee finances and overall running of the CIO. Please pray that WPN will continue to have the finances needed to do God's work.

Give thanks for all those who have signed up to give regularly as friends and the institutional funds who have given towards the work of WPN.

WPN Links

Give thanks for the work of Parish Nursing Ministries UK and pray for their leadership and our PNMUK Area Coordinator Sheena Glanville. Sheena will be carrying out the Annual Quality Assurance visit on Thursday 25th July 10-30am to 1-30pm.

Give thanks for the positive links that WPN has with local surgeries and other local health organisations. Give thanks particularly for the link with Walton Surgery and the dedicated area in the waiting room to display the service.

The Walton Surgery Multidisciplinary Team meeting is at 1pm on Wednesday 17th July although Lorna is on leave and cannot attend.
