Pray for Walton Parish Nursing People

Please continue to pray for our staff, Lorna and John as they meet clients and also liaise with other local health professionals. Many of the clients have increasingly complex needs, so pray that Lorna and John will have the wisdom to help them most effectively.

Please pray for the staff and volunteers who regularly help clients on a one-to-one basis, that contact will help bring forth good health benefits and greater well-being

- Leg care
- Health walks
- Visits to lonely people with health issues
- Lifts to hospital and surgeries
- Health consultations

WPN is on the lookout for new volunteers, as we are getting an increasing number of referrals. Please pray that the Lord will raise up more volunteers.

Pray for the WPN volunteer meeting at 2pm on Tuesday 17th September, followed by a Management Team meeting 3pm at MRBC.

Please pray for Lorna on September 3rd as she attends a Retreat Day at Otley Hall.

WPN Management and Trustees

Walton Parish Nursing has a Management Team chaired by Debby Marfleet (who also teaches the Exercise Classes).

WPN has a team of Trustees chaired by Robin Pattinson and includes the clergy from the three Walton Churches and others appointed by each church for this responsible role. They oversee finances and overall running of the CIO. Please pray that WPN will continue to have the finances needed to do God's work.

Give thanks for all those who have signed up to give regularly as friends and the institutional funds who have given towards the work of WPN.

Please give thanks for the WPN fundraiser at The Trinity Manse on Saturday 17th August. £100 donation and £62 gift aided and for a cheque from the Felixstowe Port Users Association, following their golf fundraising day in May. The presentation will be on Wednesday 11th September.
