

Jelly Bean Prayer

Thank you Jesus for my food,
Help me Jesus with my mood.

Thank you Jesus day & night,
Help me be a shining light.

Touch my heart and touch my soul,
Never leave me, don't let go.

I will love you all my days,
Help me never go astray.

Now I know you love me so,
Pick me up when I feel low.

Help me do the best I can,
Show me teach me my life's plan.
