

Prayer Guide

Cambourne Church

Cambourne is a new town a few miles west of Cambridge, where the Baptists, Church of England, Methodists, and the United Reformed Church worked together to form a local ecumenical partnership called Cambourne Church, celebrating its twentieth anniversary this year. Bill Miller, a Baptist, was inducted as their minister last September, leading a team which engages with the community through various ministries including youth work, children and families work, a church school, a parish nurse, foodbank co-ordination and a coffee house.

- Please pray as we continue to adjust and make decisions about straddling the online and offline world within church life.
- Please pray for us as we make decisions about staff team structure and personnel following the departure of our children and families worker.
- Please pray for the Alpha Online course we are hosting, which started recently

Walton Parish Nursing

- Please continue to pray for John, Lorna and the PN volunteers as they seek to keep in touch with clients and support them in whatever way they can under the present conditions.
- Please pray for the Celebration Service on 25th October, that it will be an encouragement to supporters and those involved in WPN.

Covid-19 Pandemic

- Pray for a continued search for more effective treatments and a vaccine.
- Pray that the new measures will help in the battle to curb the rapid spread of the virus and for wisdom for the Government as they continue to try to grapple with the pandemic.
- Pray for those who are suffering hardship as a result of job losses and work restrictions.

There's a terrific draught in here!

Because of the need to limit the spread of the Coronavirus, it has been necessary to allow more airflow through the church than we are used to. In colder weather, this means that there are some draughty spots in the church. **Please bear this in mind and dress appropriately for Sunday Services as winter approaches.**
