

Prayer Guide

Chase Cross Baptist Church

On the edge of Romford, in borough of Havering is Chase Cross, home to the fellowship at Chase Cross Baptist Church. Revd Derek Gibson has been the Minister at Chase Cross for nearly two years. Since his arrival, the work with children and young people, particularly through the after school club, has progressed. The fellowship has started to meet again for worship on a Sunday and everyone appreciates being back together again.

- Pray for the Church meeting at the end of October. Please pray for wisdom as the Church seeks God's direction for the future.
- Remembrance and Christmas are events that usually attract members of the wider community. Please pray that the fellowship will find creative ways of sharing the Gospel message at these times.

Walton Parish Nursing

- Please continue to pray for John, Lorna and the PN volunteers as they seek to keep in touch with clients and support them in whatever way they can under the present conditions.
- Please pray that the Celebration Service on 25th October, that it will be an encouragement to supporters and those involved in WPN.

Covid-19 Pandemic

- Pray for a continued search for more effective treatments and a vaccine.
- Pray that the new measures will help in the battle to curb the rapid spread of the virus and for wisdom for the Government as they continue to try to grapple with the pandemic.
- Pray for those who are suffering hardship as a result of job losses and work restrictions.

MRBC

- Pray for those in the church who are struggling with health and family problems at this time.
- Pray for a smooth passage for the Church's charity registration.
- Pray for the leaders as they start planning for the Christmas period, that we may produce something that will be a positive opportunity to experience Christmas in a different way which will give glory to God.
- Pray for the Steering Group of Churches Together in Felixstowe, as they meet on Thursday to plan for the forthcoming Forum and events for 2021, and for Mark in his role as Moderator.

There's a terrific draught in here!

Because of the need to limit the spread of the Coronavirus, it has been necessary to allow more airflow through the church than we are used to. In colder weather, this means that there are some draughty spots in the church. ***Please bear this in mind and dress appropriately for Sunday Services as winter approaches.***
