

Prayer Guide

Fulmerston Christian Fellowship, Thetford

The church is rooted in the centre of a deprived estate in Thetford, Norfolk, with an outward-focused ministry supporting the local community. It was planted while the estate was being built as one of three London overspill sites around Thetford and has since gone on to support a number of groups, notably older residents and families, with community minister, Tim Lovejoy in place for a number of years.

Please pray for three members of our fellowship who are struggling with life's challenges and for whom this period of social isolation has not been good news. We have some exciting ideas for Christmas and need wisdom as we proceed creatively and safely. And as we seek to find ways of keeping in-touch and supporting those that we know and love in our mission work in the local community.

Walton Parish Nursing

- Praise God for the opportunity we have to celebrate another year of our Parish Nursing Ministry today.
- Please continue to pray for John, Lorna and the PN volunteers. Pray that the Lord will raise up new volunteers, particularly drivers and a Treasurer.
- Give thanks for recent grants and donations to WPN and pray that the Lord will lead as to future direction when John retires next year.

Bible Society

- Praise God that Bible Society is able to operate in some of the most challenging places on Earth, making God's word relevant in difficult situations.
- Pray that as we face a world in pandemic, that we may bring God's word to bear on every situation. May God's people seek His will and direction.

MRBC

- Continue to pray for those in the church who are struggling with health and family problems at this time.
- As the church has now committed itself to applying to become a registered charity (CIO), please pray that arrangements will continue to run smoothly.
- Pray for C-Kers children as they receive Halloween packs this half term
- Pay for the leaders as they start planning for the Christmas period, that we may produce something that will be a positive opportunity to experience Christmas in a different way which will give glory to God.

There's a terrific draught in here!

Because of the need to limit the spread of the Coronavirus, it has been necessary to allow more airflow through the church than we are used to. In colder weather, this means that there are some draughty spots in the church. ***Please bear this in mind and dress appropriately for Sunday Services as winter***
