

## Christmas Notebook Materials:

Christmas Notebook Printables (in separate pdf file)

Crayons/pencil or pen

Scissors

Cardstock for cover, if desired

Stapler

Bible

Print the pages.

Cut the pages out along the outer edge, but do not cut the pages apart. Fold the pages along the center “thick” line.

Cut the cardstock to be larger than the pages. Staple the pages to the back cardstock page (see photo above). Then, staple the front cardstock page to the back cardstock page. Cut the cover pages apart. Glue the front and back pages to the cardstock covers.
