

OLD TESTAMENT BIBLE HEROES

Noah Craft

Materials Needed:

- One copy of each template page below for each student
- Safety scissors, if age appropriate, or scissors for adults
- Clear tape
- Crayons, colored pencils, or markers

Directions:

- Have students color the ark on the first page and the storm and rainbow strips on the second page.
- Cut out the strips on the second page along the dark, solid lines. If your students are not able to safely use scissors, have adults help with the cutting.
- Tape the strips together, A to A and B to B.
- Carefully fold the ark page horizontally and cut into the page on the black solid lines. Unfold.
- Insert the strips so that the rain / rainbow and water / dry land are showing between the cut slots.
- Pull the strips back and forth to tell the story of Noah and the flood.
