Pray for Walton Parish Nursing People

Please pray regularly for our staff team, Lorna, Wendy and John. Sadly, Wendy's contract finishes on 28th of March. Give thanks for her work with WPN and pray for Wendy and the clients who will miss her.

Please continue to pray for our staff as they meet clients and also liaise with other local health professionals.

Please pray for the staff and volunteers who regularly help clients on a one-to-one basis, that contact will help bring forth good health benefits and greater well-being.

- ▮ Leg care
- ▮ Health walks
- ▮ Visits to lonely people with health issues
- ▮ Lifts to hospital and surgeries
- ▮ Health consultations

Pray particularly this month for new volunteers to come forward, as some have stepped down recently – there are no lack of ways to help!

Pray too for those planning the Health Fair later this year that the event will increase the profile of WPN in the community

WPN Management and Trustees

Walton Parish Nursing has a Management Team chaired by Debby Marfleet (who also teaches the Exercise Classes). Pray also for Lorna's Line Manager Sandra Griffiths.

WPN has a team of Trustees chaired by Robin Pattinson and includes the clergy from the three Walton Churches and others appointed by each church for this responsible role. They oversee finances and overall running of the CIO. Please pray that WPN will continue to have the finances needed to do God's work. Give thanks for all those who have signed up to give regularly as friends and the institutional funds who have given towards the work of WPN.

WPN Links
