Monthly Prayer Guide December 2018

Welcome to the WPN Monthly Prayer Diary. This month we have a new format. Rather than daily prayers, please work around the items according to whether you are using the guide for daily or weekly prayers.

Printable versions of this sheet can be downloaded from the Magazine on the MRBC church website. We'll let you know when the sheet is available via the websites of the Walton Churches and via Facebook and Twitter.

WPN is also on Facebook

Walton Parish Nursing CIO is a charity registered in England & Wales No 1151953

Pray for Walton Parish Nursing People

Please pray particularly for our elderly and other clients who may be by themselves over the Christmas period. Also for clients who accept invitations to church over this period that they may be blessed.

Please pray for the staff and volunteers who regularly help clients on a one-to-one basis, that contact will help bring forth good health benefits and greater well-being.

- Leg care
- Health walks
- Visits to lonely people with health issues
- Lifts to hospital and surgeries
- Health consultations

Continue to pray for new volunteers to come forward – there are no lack of ways to help!

Please pray
regularly for our
staff team

WPN Management and Trustees

Walton Parish Nursing has a Management Team chaired by Debby Marfleet (who also teaches the Exercise Classes). Pray too for Lorna's Line Manager Sandra Griffiths.

WPN has a team of Trustees chaired by Robin Pattinson and includes the clergy from the three Walton Churches and others appointed by each church for this responsible role. They oversee finances and overall running of the CIO. Please pray that WPN will continue to have the finances needed to do God's work. Give thanks for all those who have signed up to give regularly as friends and the institutional funds who have given towards the work of WPN.

WPN Links

Give thanks for the work of Parish Nursing Ministries UK and pray for their leadership and our regional rep Sheena Glanville.

Give thanks for the positive links that WPN has with local surgeries and other local health organisations.
